About

Full Stack developer with two years of experience in the IAF. I gained experience in several diverse projects, using technologies such as Node js, React, and Azure. I love the field of development and I am committed to learning and adapting to new technologies. I significantly want to contribute to a dynamic and challenging environment. and bring my technical skills to a new challenging environment. I am looking for opportunities to grow and make an impact.

Experience

May 2022 - Present

full stack developer | IAF | Israel, Rishon LeZion
